

# Murrumbidgee Local Health District

## School Based Traineeships

Murrumbidgee Local Health District are offering opportunities to Aboriginal & Torres Strait Islander and Non-Aboriginal & Torres Strait Islander students across our Health District to complete vocational studies as part of their HSC.

School Based Traineeships available;  
Assistant In Nursing, Allied Health, Aged Care, Admin.

If you are a successful applicant, the program gives a supportive structure and funding to complete your traineeship as well support in the transition from school to work, at the end of your traineeship.

Traineeships are a key pathway to becoming a qualified Health Professional.

*The positions available for 2023 are listed over the page.*
