

Dear Parents,

This month we have a FREE trial for LNPS for the languages program, **LANGUAGENUT**. Each student in Years 3-7 has their own login and a password has been generated for them. To make the most of this FREE trial I would like you to encourage your students to login outside of our German lessons as well as the opportunity to use the program during our German lessons.

Bonus: students can access all 16 languages on the program. So, as well as German they may like to explore other languages they are interested in. There is also an ESL section for students who need extra practice with their English.

All students have a copy of their login details in their diary **for use at home**. The program is a bit like *StudyLadder* in that **it records student progress and I can monitor what students are doing**, need help with and where they are learning and improving. I can also assign certain tasks for individual students and/or classes.

The program is not as expensive as some other online language programs and we can have as many subscribers as we want to for the same cost. **I could even include a 'class' for parents who want to give it a go!** I am very aware of many FREE sites too, so following the trial I will seek feedback as to whether people are interested in us subscribing as a school and if so, work out the best way for us to be able to do this.

Thank you for your continued support with the teaching and learning of German at LNPS,

Libby Edwards

For any further information, you can find me in LA 22 (Morphett Building) on Mon, Tue and Wed or email me at elizabeth.edwards559@schools.sa.edu.au
