WHAT'S BEEN HAPPENING

Dear families,

We hope all families had a wonderful Father's Day last week. This week, we're embracing the season with some exciting Spring-themed activities:

- Grow Seeds Outdoors: We'll be planting seeds and watching them grow, teaching the kids about gardening and the life cycle of plants.
- Spring Picnic: Weather permitting, we'll enjoy a delightful picnic outside, filled with fun games and healthy snacks.

Our school holiday program has been published! Here's a sneak peek at what's in store:

- Mini Golf: A fun and competitive activity for all skill levels.
- Inflatable World: Bounce, slide, and have a blast in this inflatable wonderland.
- The Escape Zone: A thrilling experience where teamwork is key.
- Cinema Movies: Relax with a good movie and popcorn at the cinema.

Make sure to book early, as spots for these exciting activities fill up quickly! We look forward to a fantastic week of fun and learning.

Kind regards,

Eric
Director of Team Kids Before and After School Care
