

March 2022

Dear Principal / Science Co-ordinator / Career Co-ordinator

The Santos Science Experience

A nationwide STEM outreach program for years 9 & 10 students

The Santos Science Experience is a three-day hands-on science activities program. Our aim is to inform students of the importance of science and technology while stimulating and heightening their interests in a wide range of science disciplines and career opportunities, encourages further studies in the sciences, while at the same time giving them a 'taste' of university/tertiary life.

We offer the following programs in Victoria this year.

Marine and Freshwater Discovery Centre, Queenscliff	11 April 2022
University of Melbourne, Parkville	11 – 13 April 2022
Federation University, Ballarat	27 – 29 June 2022
RMIT University, Melbourne	28 – 30 June 2022
Swinburne University of Technology, Hawthorn	6 – 9 July 2022
KIOSC, Wantirna	18 – 20 July 2022
Marine and Freshwater Discovery Centre, Queenscliff	27 September 2022
Federation University, Gippsland	20 – 22 September 2022
Federation University, Berwick	20 – 22 September 2022
University of Melbourne, Dookie	30 November - 2 December 2022

There is no selection process and students can enroll online at www.scienceexperience.com.au or post /fax the registration form to our office in Monbulk. Cost is \$190 per student for the three day program and \$65 per student for the one day (at Queenscliff), some sponsored places may be available through Rotary or the National office.

Further information can be obtained by calling 03 9756 7534 or email admin@scienceexperience.com.au

Kind regards

J. Bellars
