

# TERM 4 ART 4 SCHOOL PROGRAM

**Art 4 School** is a fantastic, interactive after school Visual Arts program for OLA children in all levels Prep- Grade 6 who want to further develop their skills and techniques in art. They will be given the opportunity to use a wide range of media and tools and will explore a range of processes that include drawing, painting, printing, collage, mixed media, textiles and construction.

It has been a great success and the children have really enjoyed it. They have created skateboard decks, sculptures, sand art, tie dyeing, marbling, batik, canvas painting, stain glass, printing, modroc sculptures, clay work, various painting techniques, puffy paint, mosaicing, slime making, water colouring, sewing, sculpture, chalk art, weaving and so much more!

It is a **75 minute session** straight after school which will allow them to really get into their art and spend time with friends and also make new friends in a familiar environment.

The goal is to give the children a skill based, fun art experience in a supportive environment, as well as instil a lifelong appreciation for art.
