

GENERATION HYDRO

OUR ENERGY,
YOUR FUTURE

Work Exposure program

Discover engineering and trade careers at Hydro Tasmania with hands-on experiences, a power station tour and opportunities to meet staff working in a range of roles.

Hydro Tasmania is hosting **work exposure programs** for students in both in the north and south of the state this year.

Aim:

To reveal opportunities in engineering and trades at Hydro Tasmania. During the program students will undertake a power station tour, hands-on experiences and a speed careering event with a range of staff.

Who can apply?

Students in Years 10 - 12

Dates

Hobart 2-day program – students apply for either program:

- **27 & 28 May**
- **10 & 11 June**

Northern Tasmania

- **3 June in Launceston** (1 day program)
- **29 & 30 July from Burnie** (2 day program)

The Launceston program is only one day as no travel between sites is required.

How many students will be accepted from each school?

We will fill our programs on a first-come, first-served basis. **Please reply as soon as possible.**

We can accept a maximum of 3 students from each school initially. If you have more interested students, please send in their details and we can place them on a waitlist. This is to ensure equity among schools.

How to apply

If you have interested students, please send the below information to: workexposure@hydro.com.au

- Student's full name
- Year level
- School
- Supporting teacher's name and contact information
- Preferred location and date of program

Program coordinators are our education officers and hold WWVP cards. Teachers are not required to attend.
