

St James College Parent Access Module

Introduction

PAM allows parents and guardians access to students recent results/marks, courses (including homework tasks), attendance, reports and timetables. The Daily Messages and selected policies will also be accessible.

PAM web address

<https://pam.sjcbe.catholic.edu.au>

A link to PAM is also available through the St James College website homepage.

PAM Login Screen

Below is a sample of the PAM Login Screen. Parents and guardians have been issued with a PAM username and password that will allow access to the students associated with the account.

Daily Messages

Daily Prayer
Let us remember we are in the Lord's holy presence... God, grant us a vision for our school: A school of righteousness, where no one wrongs their neighbour, A school of kindness, where no evil is done, A school where success is measured as service to our neighbour. A school of peace where order shall rest on love & loyalty. Give us strength of body that we may do our work well and cheerfully. Give us strength of mind that we may accept the truth and hold it in faith. Give us strength of will that we may serve you and seek for good. Amen. St. James the Apostle, pray for us St. John Baptist De La Salle, pray for us Live Jesus in our hearts. Forever!

- **Daily Messages:** These come from the main Daily Message system of SIMON that students and staff use at the College. These messages are read to classes each morning and can be accessed all day.
- **Knowledge Bank:** The College will use this section of PAM to share policies and documents.
- **School Links:** General links to online resources.
- **Students:** Students associated with a PAM account will appear under the main “Students” heading. Parents and guardians can gain information to the student by clicking on the student’s name.
 - **Personal Details:** General student and enrolment information.
 - **Student Timetable:** Current timetable for the selected student.
 - **Student Attendance:** This allows parents to review attendance information. These can be generated in real-time by the parents by clicking on each of the report icons.
 - **Student Assessment and Reporting:** This allows parents and guardians to access student reports.
 - **Learning Areas:** This section shows the selected student’s tasks (Classwork or Assessment) that are active, completed and due.
- **My Settings:** Parents can click on the “My Settings” button to change/add their email address or change their PAM password.
