

COMING TO OUR SCHOOL

The PEERS study has developed an interactive iPad application to assist in the assessment of social skills development in children.

HOW TO GET INVOLVED

Complete and return the consent form to your classroom teacher.

A 60 MINUTE SESSION IN YOUR SCHOOL, INCLUDES:

- Brief IQ assessment
- Emotion recognition
- Moral reasoning
- Emotion interpretation
- Interpretation of social situations
- Pro-social and anti-social behavior

PARENTS CAN RECEIVE
RESULTS OF THE IQ
ASSESSMENT FROM
THE RESEARCH TEAM

EVERY PARTICIPANT WILL
RECEIVE A CERTIFICATE!
