CANTEEN INFORMATION 2017

Your canteen operates every school day to provide lunches as well as being open for counter sales at both recess and lunchtime. Health regulations are strictly adhered to with the canteen regularly inspected and reported on by the Health Department of the local council and the Area Supervisor of HH Corporation.

The menu is divided into Everyday food choices and Occasional or Select Carefully food choices. The Everyday choices meet school canteen healthy eating guidelines, are all very favourably priced and are a tasty range that have proved consistently popular amongst primary school students.

Please ensure that you are using the current canteen pricelist on the school website when ordering and place money (the correct amount where possible) in a paper bag with your child's name, grade and room number on the front. Should your child have a food allergy please note this in RED ink on the front of the bag so that the order can be handled appropriately. Please DO NOT USE staples or sticky tape. If you do not have a bag, please include an additional 20 cents.

Please note that the canteen is unable to offer credit under any circumstances.

The canteen staff endeavour to fill all lunch orders. However, on rare occasions, this is not possible. The reasons may vary but may be due to insufficient money enclosed in the order, a particular item not being available from the supplier, or a delivery being unavoidable delayed. In cases where an order cannot be filled, the canteen retains the lunch money and will write a note on the bag for the child to come to the canteen and choose an alternative item. The money is not returned in the lunch bag – the rationale being that if the child has to return to the canteen then a suitable substitution can be made with any allergy issues or food preferences considered. Also in cases where a lunch order is handed in late a substitution may be necessary due to time limitations.

Medical Conditions & Food Intolerances

The menu offers a wide range of food choices, which addresses medical conditions and food intolerances and reflects the preferences of our culturally diverse community including halal, vegetarian and gluten free items. None of the food items sold in the canteen contains nuts (though some may contain traces of nuts).

Change

Please explain to your child that any change will be taped to the inside corner of the lunch bag that they know not to throw the lunch order away with the change inside. Please also let them know if they are allowed to spend any change or if they are expected to take it home.

Sticker System

The canteen operated a sticker system for certain items **asterisked on the menu. A sticker is attached to the outside of the lunch order bag, which enables children to collect their food personally without risk of spillage into the class lunch-order tub. The system also allows those ordering frozen items to receive priority over the counter. Please explain the system to your child so that they know to bring their sticker back to the canteen to collect their item and not throw the bag away with the sticker still attached. Cup noodles are also personally collected when your child returns to the canteen with their lunch bag.

Please let your child know that if they have any problem with their lunch order to return to the canteen with their lunch bag so that any issues can be immediately rectified.

Should you have any queries or concerns, your canteen managers Anne Marie and Anita are happy to be of assistance to you.

CANTEEN MENU 2017

For lunch-orders, please place money in a paper bag (no tape or staples) with your child's name, grade and room number. If you do not provide a lunch bag, please add 20 cents. Any change due will be sticky taped inside the bag. If the order contains insufficient money, an item will not be given. Foreign coins will not be accepted.

Please advise our canteen manager if you have any dietary requirements. If your child has food allergies, please note in RED ink on the front of the lunch bag. Please note that the canteen is unable to offer credit.

****Asterisked** items have a sticker placed on the lunch bag, so your child will return to personally collect the item, thereby avoiding spillage. Cup noodles are also personally collected from the canteen when your child returns with their lunch bag. Please advise your child of this procedure.
