

Does your child have a talent and need help to realise their dream?

Would you like up to \$3,000 to help out?

Variety helps children with an existing talent, who are disadvantaged or living with a disability, to achieve their full potential and follow their dreams.

If this sounds like your child, or someone you know, the Variety Heart Scholarships Program could be for you.

Applications are now open to children aged between 8 and 17.

Whether it's a dream to compete at a higher level in sport, or wow a crowd on stage – Variety Scholarships can help with equipment, coaching, uniform, costumes, competition fees, accommodation and much more.

To find out more about the program and apply, go to our website

Or if you have a question, send us an email at grants@variety.org.au.

Be quick - applications close 30 September!
