Around the Grounds

6A
What a game! The boys hit a massive score of 207 runs. Well done to Harry Vickery, Owen Aldridge, Ethan Taylor & Josh Pope for their high batting scores.

Special mention must also go to Salem Tamer for two impressive catches in the field, and to Harry Cootes for an unbelievable one-handed catch in the outfield!

6B
With hopes high Marist were looking to win their third game in a row. Winning the toss and electing to bowl saw Marist keep St Peter's to a respectable 8 for 106 off 25 overs. Showing intent to chase the runs Marist went hard out of the gates, and it paid off chasing the score in 17 overs and finishing 7 for 150.

6C

It was an inter-school grudge match between the Marist 6Cs and the 6 Golds. After a couple of early run-outs the middle order settled the ship nicely. Tom Bedggood and Tom Clune were the pick of the batters with 28 and 14 respectively with handy contributions from Ben Thirgood, Felix Nolan, and Raff Brown. With ball in hand it was a dominant display by the Cs restricting a valiant effort by the Golds to just 48. Special mention to Felix and Lachie Vacher who took 3 wickets and 2 wickets accordingly. Overall a good spirited game between the two Marist sides with plenty of standouts, the Cs being too good on the day.

6 Gold

It was a battle of allies as the 6 Gold boys faced their toughest challenge yet. Ironically, it ended up being against our own fellow Ashgrovians, the 6Cs. The boys marched into this weekend's matchup full of enthusiasm and confidence after their big victory the previous weekend against a strong Iona outfit. Unfortunately, the boy's perfect season was tainted after suffering a gruelling loss to the 6Cs. The C boys won the toss and elected to bat first. The boys seemed to struggle a bit with our ability to produce bowling that was effective and dangerous. Overall, the boys surrendered 130 runs, however we never lost faith as a team, knowing that we had the talent to overcome the deficit. The boys were stunned by a superb bowling attack, that the year 6C boys possessed. Overall, we just couldn't hit our stride and ending up getting out for 50. Ultimately, the boys showed a lot of heart and character and are looking forward to finishing off the season with a win.

6 White

6 White's final game of the season was a stellar performance against St Laurence's that was punctuated by great batting, bowling and team spirit. From the beginning of the match, it was clear that the boys were determined to put their last game behind them to achieve an ending that befitted their commitment to the 2021 season. And perform they did! The boys secured a fine victory with a score of 2 for 86, defeating their opposition by 2 wickets and 16 runs.

Their efforts with the bat were solid, with boundaries from Ben Fernan, Declan Barbaro, Oliver Eaton, Sam Turvey, Lachlan Chandler, Archie Langler and Cooper Hayes. Top scorers of the game were Lachlan Chandler and Cooper Hayes who both made 12 runs. This was particularly impressive given that all boys were retired after only 9 balls.

To their credit, the players matched their batting performance with some fine bowling. Tom Lynn was the best of the bowlers securing a personal best record of 2 wickets for 7 runs. Other great bowling came from Charlie Harris with 1 wicket for 1 run and Oliver Eaton with 0 wickets for 3 runs. Importantly, the boys' bowling in general demonstrated considerable progress since the earlier games in the season. Lucas Weir and Ben Fernan were also solid behind the wickets.

Whilst the skill level of the team was impressive, of most significance was their general sense of sportsmanship and team spirit that would have made even Marcellin proud. Thanks to all the parents who supported the team throughout the season. Special thanks is also extended to Michael Chandler, Phil Hind, Lincoln Turvey and Amanda Eaton for performing umpiring and scoring duties throughout the season – much appreciated!

6 Green

The mighty 6 Green cricket suffered a loss this week to our Padua opposition. Our boys played a very good game in the field and showed again an increase in their skills and teamwork, whilst being at a disadvantage by bowling playable balls. Our top batters for the week were Matt Alvarez (9 no), Tomas Hammond (8 no) and Vincent Button (8 no). In the field Callum Curtin led by example, managing to be 'everywhere' all the time. Wicket takers were Darcy Mahoney, Callum Curtin (2 wickets), Matt Henselien, Archie Engstrom and Tomas Hammond. Top bowler for the match was Callum Curtin 2/4. Again, it was a team effort which saw the boys backing each other up in the field and showing great Marist spirit.

5A

A fantastic bowling effort reduced St Peter's to a respectable 109. An excellent three wicket over from Oliver Blakemore was the highlight of the match. A few runouts early weren't enough to shake the Marist boys, who won with 10 balls to spare. A great match all round played in fantastic spirits by both schools.

5B

The boys started well taking good early wickets. Some sloppy fielding saw St Peter's get to a defendable total of 8-133. A clinical batting performance saw the first 8 batsmen retire before Hugo Burg finished the innings off well with an unbeaten 25 off 16 balls. Well done boys.

5C

The 5Cs were sent in to bat first by Villa 5 Gold on a hot day at the flats. A consistent batting effort saw the boys reach a total of 69 off their 20 overs; Tim Watts 6 and Caelan Rabie 5 top scoring. Villa got off to a quick start but lost constant wickets seeing them need 11 runs with 1 wicket left. Luke managed to clean bowl one of their retired batsmen to finish the game at 10/60.

5 Gold

The boys had a good win over Padua on Saturday. Padua was 6 for 63 and our MCA boys were 5 for 65 with 3 overs spare. Top batters were Foxy (Hamish Foxall) on 20 runs and Jack Lambley and Isaac Long both on 7. Top bowlers for the morning were Jack Lambley and Isaac Long. In the 3 overs Isaac bowled he took 2 wickets and Padua only scored a total of 2 runs. The boys did a great job.

5 White

The 5 White boys this week proved all who witnessed that they were taking in what the team has been working on in training. With loud calling between wickets, consistent on the pitch bowling and a high level of energy in the field. An all-round commendation must go to the team and they deserved their win. Coaches are keen to see what they produce for the final round this coming weekend.
