WHAT'S BEEN HAPPENING...

This term at OSHClub we have been baking, creating and building! We have set up two new spaces in our room including a new Zen corner with couches, a new bookcase, and soft cushions, and a natural play space, including a tree house, sensory stones, colourful blocks and a tent! The children have been loving this area, and have been creating some amazing scenes. We have also been baking these past weeks, and hope to increase this in the coming fortnight, with activities including cookie making, fruit kebabs and sushi classes..

SPECIAL ACTIVITIES IN TERM TWO

Last term we introduced three clubs into our program, which were all well received and provided lots of opportunities for learning, exploration and creativity. This term we will be running three new clubs and workshops, with details below.

PEN PAL CLUB: Children will write and send introductory letters to pen pals at primary schools in Appin NSW and Riverland SA.

SUSTAINABILITY CLUB: Activities such as building a worm farm, creating bird feeders and building mini beast art sculptures from recycled products will put smiles on dial's this term at OSHC.

COMMUNITY

Question of the Month

Our OSHClub has changed a lot in the past year, and we would love to hear your thoughts about different aspects of our service. We would love include parent feedback, activity suggestions and menu ideas in our planning and service environment, so we will be commencing a **Question of the Month** survey within our newsletters, for parents to share their thoughts! [Find the survey linked here!](#)

Bread Tags for Wheelchairs

At Fairfield OSHClub we are supporting the **Bread Tags for Wheelchairs** campaign, which collects and recycles bread tags, raising funds to buy wheelchairs for disadvantaged people in South Africa.

We currently have a jar for bread tags and posters above our parents' area in the OSHClub room, come into the OSHClub room to find out more information and make a donation. If you would like to find out more visit the website <https://ozbreadtagsforwheelchairs.org.au/> for their mission and story.

Please put your bread tags in here – they will be recycled to fund wheelchairs in South Africa.
