COURSE ADMISSION

Auditions are held before students are offered a place in classes to determine that students have a willingness and aptitude to develop these skills. Various short activities will be conducted by the teacher during which performance and participation levels will be assessed. Successful applicants will be offered a place after the audition.

These sessions are fun, relaxed and complimentary. Sessions are designed to give prospective students and parents an insight into who we are and how we run our classes.

Bookings are essential as students are grouped by age. Bookings can be made through our head office on **(03) 8199 8344** or you can register your interest at any time via our website.

We look forward to hearing from you soon!
