INDEPENDENT SPORTING ASSOCIATION INC.

RISK WARNING

SPORTING ACTIVITIES ON BEHALF OF THE INDEPENDENT SPORTING ASSOCIATION AND ITS MEMBERS

The Independent Sporting Association administrates and convenes inter-school sporting activities in which many students from its members participate. Students participating in these sporting events take part in practice, trials and competitions.

While the ISA takes measures to make the sporting activities as safe as possible for participants, there is a risk that students can be injured and suffer loss (including financial loss) and damage as a result of their participation in these sporting activities, whether at training or in actual events.

ISA and its member schools expect students to take responsibility for their own safety during sporting activities by wearing safety equipment, by thinking carefully about the use of safety equipment and by behaving in a safe and responsible manner towards team members, opponents, spectators, officials, property and grounds. The ISA also expects parents, spectators and other participants to behave in a safe and responsible manner and to comply with the ISA Code of Conduct.

Injury can occur while the student is engaging in or watching a sporting activity or travelling to and from the event. The injury may result from a student's actions or the actions of others.

On some occasions, an injury can be serious (such as torn ligaments, dislocations, back injuries, concussion or broken bones). In very rare cases the injury can be life threatening or result in permanent disability. If a student has a pre-existing injury, participating in a sporting activity could result in an exacerbation of that injury.

Students could also suffer loss as a result of their personal property being lost, stolen, damaged or destroyed.

ISA Team Selection

In general, competitors finishing in the TOP 3 in each Age Group shall gain selection into the 2023 ISA Athletics Team to compete in the NSW CIS Athletics Championships on Tuesday 19th September 2023. There may be some exceptions to this, and final selection will be at the discretion of the ISA selection panel.

Please note that even though a student may place in their race, they may not make the ISA team as there are 2 divisions for each event and students competing up an age are considered in their own age bracket for CIS.

NOTE: for 2023 only, CIS will not be running Hurdles or the 3000m events.
