# PRESENTATION EVENING

**October 9th**  
Melbourne Town Hall

# Song Lyrics

---

## Suzanne Cory High School Song

by Dan Walker & Students of Suzanne Cory High School

### Verse 1

A spark to inspire,  
ignite and embolden.  
A light when the darkness  
would lead us astray.

Today we embark  
on a sea of discovery.  
Let our course hold true,  
may our hearts show the way.

### Chorus

Above and beyond  
the four points we'll carry  
the flame that was lit  
by those gone before.

And though we will walk  
our own sep'rate journey,  
united in name,  
we live on forever more.

### Verse 2

Strands interwoven,  
spiralling skyward,  
connected, defined  
by our will to succeed.

Our strength is our spirit,  
our pride in diversity.  
Drawn together as one,  
by example we lead.

### Chorus

Above and beyond  
the four points we'll carry  
the flame that was lit  
by those gone before.

And though we will walk  
our own sep'rate journey,  
united in name,  
we live on forever more.

---

## Advance Australia Fair

by Peter Dodds McCormick

Australians all let us rejoice,  
For we are one and free;  
We've golden soil and wealth for toil  
Our home is girt by sea;  
Our land abounds in nature's gifts  
Of beauty rich and rare;  
In history's page, let every stage  
Advance Australia Fair!  
In joyful strains then let us sing  
Advance Australia Fair!

Beneath our radiant Southern Cross,  
We'll toil with hearts and hands;  
To make this Commonwealth of ours  
Renowned of all the lands;  
For those who've come across the seas  
We've boundless plains to share;  
With courage let us all combine  
To Advance Australia Fair  
In joyful strains then let us sing  
Advance Australia Fair!

## Gaudeamus Igitur

Traditional

Gaudeamus igitur  
Jvenes dum sumus.  
Post jucundam juventutem  
Post molestam senectutem  
Nos habebit humus.

Ubi sunt qui ante nos,  
In mundo fuere?  
Vadite ad superos,  
Transite ad inferos,  
Quos si vis videre.

Vivat academia!  
Vivant professores!  
Vivat membrum quodlibet  
Vivant membra quaelibet  
Semper sint in flore.

### Welcome to the 2024 SCHS Presentation Evening.

As you enter the Town Hall this evening I'm sure you are struck by the beauty of the building. Looking across the students all dressed in their blazers and listening to the musicians play, it is evident that this is a night filled with rituals and formality. From the playing of the organ and singing the national anthem, to the requests to hold applause so a group of students are congratulated together. All these elements set and reinforce the message that this evening is important, it has value for everyone in the room.

Tonight is an evening of celebration. Not just of the individual accomplishments of students receiving awards for their academic or extracurricular endeavours, but also of our beloved school. It is an opportunity to showcase all elements of our school program whether through speeches, video or performances, and to celebrate what we have achieved over the course of 2024. We are celebrating much more than grades and achievements on paper, we celebrate the growth of character, the forging of lifelong friendships, and the creation of memories that will be cherished for years to come.

Celebrations hold a profound value in our lives, offering much more than just moments of joy and festivity. They serve as vital markers in time, connecting us to our personal histories, cultural heritage, and community. Whether it's a birthday, a graduation, a national holiday, or a simple gathering, celebrations give us a sense of continuity, reminding us of the milestones we've achieved and the challenges we've overcome. These moments allow us to pause and reflect on the journey, providing a sense of closure and renewal as we look forward to what lies ahead.

On a deeper level, celebrations foster a sense of belonging. They bring people together, strengthening the bonds that tie us to our families, friends, and wider communities. In a world where daily routines can often isolate us, celebrations act as communal glue, encouraging social interaction and shared experiences. This collective joy and connection can enhance our sense of security and well-being, reminding us that we are part of something larger than ourselves. Tonight we use this as an opportunity to deepen connections between the school and our parents and guardians and take the opportunity to thank them for the support shown to students this year.

Celebrations are also powerful tools for reinforcing cultural values and traditions. They serve as a means of passing down knowledge, customs,

and shared beliefs from one generation to the next.

Whilst our school is young at only 14 years old we still see those values and traditions being passed through our student 'generations'. From the mass singing, to blazers covered in pins, to house chants these elements of our culture build our sense of community that lasts beyond graduation. As do the memories of events such as tonight.

In the words of the model and humanitarian Alek Wek, "The most beautiful things are not associated with money; they are memories and moments. If you don't celebrate those, they can pass you by." Tonight, we ensure that these moments do not pass us by. We capture them, we hold them close, and we celebrate them with all the joy and pride they deserve.

**Martha Goodridge-Kelly**

Principal, Suzanne Cory High School

# Program of Events

1. Suzanne Cory High School Drumline  
*'Cargo & Thunderbolt'* by Cassidy Bryars

2. National Anthem

Students of Suzanne Cory High School  
  
Conducted by Ms. Tegan Dimple

27. Vice Captain's Farewell  
Syazwana Saifudin & Vijval Jain

## Vice Captain's Message

I hope you share my excitement for Suzanne Cory High School's 2024 Presentation Evening. A relaxing pause right before we finish with the year, to go back and cherish all the fond memories we made.

If this is your first time attending, strap in, as you will hear Suzanne Cory High School's voice resonating around the Town Hall as we sing together: the student body etching our name, branded by our values around us, with each and every one of us holding the chisel, symbolising how our school's foundations are built on a cohesive school environment.

Tonight we celebrate the achievements of all our peers, and I invite you to join me in congratulating them. I am ecstatic for the many performances on show where we get to proudly witness our school's talent. I am thrilled for the speeches where we get an opportunity to hear from members of our entire school community.

From the students who are experiencing this event for the first time, to the class of 2024 who are taking part for the last time, I want to congratulate you all and applaud the hard work you have put in this year.

I wish that you all enjoy a great evening tonight as we reminisce on a great 2024 together and look forth to what comes next.

**Vijval Jain**  
Vice Captain

Throughout my years at Suzanne Cory High School, each Presentation Evening has been nothing short of inspiring, and I am certain this year will be no different. It is a night where we gather to honour the collective dedication, hard work, and achievements of our students, and showcase the exemplary spirit of our vibrant school community.

Tonight there will be many students receiving awards for excelling academically, in sports, the creative arts, and through their contributions to both our school and the broader community. While this evening is an opportunity to congratulate these individuals on their significant achievements, it also serves as a tribute to the collective accomplishments of all students, teachers, and staff.

For the graduating class of 2024, our final Presentation Evening is a time to reflect on our four years together as we approach the end of our VCE journey. As for continuing students, take pride in being a part of Suzanne Cory High School and embrace the opportunities that lie ahead in your remaining years.

It is truly an understatement to say how proud I am to conclude my final year of high school surrounded by peers and teachers who have taught me so much, in such a diverse and enriching school environment.

To everyone attending this evening, I hope you all enjoy commemorating the accomplishments of this remarkable year with us!

**Syazwana Saifudin**  
Vice Captain

## School Captain | Finlay Maltby

---

Welcome to Presentation Evening, a night that is the most important event of the year and represents the culmination of the culture, experiences and accomplishments of the 2024 school year at Suzanne Cory High School. As we reflect on a year's worth of experiences, you will see our pride, values and what it means to be a part of our school community.

With the philosophy of a Renaissance Person, our school features an incredibly wide variety of extracurriculars, many of which are showcased tonight. That dedication towards our passions, as well as appreciation for the talents of others is one of the defining characteristics of our school. We are lucky to have such amazingly talented and hardworking teachers who share our passions and put an enormous amount of work into supporting us and helping us develop our skills.

Mass singing is always a highlight performance, as well as a personal favourite, with symbolic meaning that transcends any single lyric or individual voice. Our Massed Singing Medley, which includes the songs chosen and performed by each house in our House Chorals event and an additional song voted by the Year 12 cohort, represents the combination of house spirit into school pride, a unity that demonstrates the power of

the contribution when entire student body works towards a shared goal.

A significant aspect of our school is the incredible talent and hard work that our peers consistently put into their studies and extracurriculars, demonstrating a commitment to excellence and a willingness to go above and beyond. Tonight offers us the opportunity to celebrate these achievements, our peers and collective growth throughout the year.

Tonight is also about memories, a chance to reminisce about our favourite moments from the year, as well as create some new ones. For my fellow Year 12s, this is our last Presentation Evening, a final opportunity to reflect on the incredible journey we've had together and treasure what will be some of our last moments as part of the school. For the rest of our peers, this night is also about looking to the future, what you aspire to achieve in the upcoming year and the continuing legacy of our school.

I sincerely thank everyone for attending and for helping us to celebrate this year's achievements as a community. I hope you enjoy this night as much as I will and share in our heartfelt pride to be a part of Suzanne Cory High School. Enjoy the show!

**Finlay Maltby**  
School Captain

## School Captain | Trisha Vinesh Vijayan

Presentation Evening is a cherished tradition that holds a special place in the heart of our school community. This evening provides us with an opportunity to celebrate and acknowledge the efforts, achievements, hard work, and successes of our student body. As a school, we believe in a holistic approach to education, valuing extracurricular activities and personal passions just as much as academic achievements. We believe these experiences contribute to our growth as individuals and help us become well-rounded members of society.

Tonight, we will witness a wide array of performances showcasing the incredible talent within our institution. One highlight will be the much-anticipated Mass singing, a performance that unites us all and is a vital part of fostering a sense of community within our school. While a select few students will receive awards for their outstanding achievements this year, I want to emphasize that every student has worked hard in their own way. Tonight is a celebration of all our successes, no matter their scale.

I would also like to extend my heartfelt gratitude to our teachers and staff, who consistently support and guide us. They are the backbone of our school, and without their dedication, none of this would be possible. Additionally, I want to acknowledge our friends and families who are here tonight. Your unwavering support and kindness mean the world to us, and we are deeply grateful.

For our Year 12 cohort, this may be our last Presentation Evening, but it will undoubtedly be a memorable one. As we soak in these precious moments, we reflect on how much we have grown over the past few years and the countless memories we've made at Suzanne Cory High

School. Tonight, we celebrate those memories and the highlights of our journey.

Our school is home to some of the most hardworking and ambitious individuals, each of whom plays a vital role in our school's success. Whether through music, sports, leadership, drama, or various extracurricular activities and initiatives, each of us contributes uniquely to the vibrant tapestry of our school community. We have much to be proud of, and tonight is a time to take pride in who we are and celebrate the collective success of our community.

It is truly a privilege to call ourselves students of Suzanne Cory High School. To everyone here tonight, I hope you enjoy this evening and join me in celebrating the wonderful school year we have had.

**Trisha Vinesh Vijayan**  
School Captain

## Assistant Principal | Kimberley Pye

---

The 2024 academic school year, as always, has been filled with dedication and persistence; yet tonight we take the chance to step back and not only acknowledge all of the work, but all of the successes. Each and every student, your children, have worked towards developing their skills and knowledge, achieving so much. As adults we know that small steps lead to great change and in the case of SCHS students, to incredible results, incredible individuals and incredible futures.

Tonight we celebrate just a few of these accomplishments. We will acknowledge and award the highest achievements of our academic studies. We will be amazed at the academic achievements of some students and congratulate the Dux of 2023. We will instil a passion and desire to be walking across this stage in 2025.

However, it is important to also recognise those not on stage tonight; the students who have worked just as hard, made improvements and taken risks with their learning, who are seated in the audience. These students deserve our recognition and congratulations as well. I encourage you, as their parents and guardians, to look back over the last 12 months. Consider the small steps and accomplishments that haven't been noticed along the way and take the time out to congratulate and encourage your own child in their academic achievements this year.

Also not gracing the stage tonight, are the teachers and staff who devoted hours to patiently supporting and encouraging all our students; who have planned lessons to respond to student needs and continually found ways

to challenge and pull out the best from our students. They too, should take the time to celebrate not just the incredible achievements of the students receiving awards and those who have improved throughout the year, but to celebrate their own continued drive to build their teaching skills; ensuring that your children have the opportunity to succeed.

Finally, there is a third group seated around the Town Hall tonight who also need the thanks that does not always readily come. Thank you to the parents, families and guardians who spend their time supporting our students. Ensuring they are driven to school or to train stations across Melbourne, who change their social lives to support their children studying and completing homework and constantly meet their everyday needs. We know that it is not only our students who make sacrifices to accomplish great achievements but the families who form part of our school community.

**Kimberley Pye**

Assistant Principal

As we gather here tonight to celebrate another remarkable year at Suzanne Cory High School, I am filled with pride and gratitude. This year there have been an abundance of achievements, celebrations, and the relentless pursuit of excellence by our students and staff.

One of the highlights of this evening is the much-anticipated announcement of the winners of the House Cup. This prestigious award is not merely a reflection of the triumphs in our sports carnivals or the successes in our creative House Arts challenges. It embodies the spirit of teamwork, dedication, and community that permeates every aspect of our school life. From the Primus Cup, where our enthusiastic Year 9 students had their first taste of contribution, to the multitude of house events that followed, each moment has been a testament to the vibrant house spirit.

Our sports carnivals and events have seen students pushing their limits, displaying not just physical prowess but also sportsmanship and camaraderie. The creative House challenges have unleashed a wave of talent and imagination, showcasing the diverse abilities amongst our students.

Moreover, our commitment to our civic responsibility has been evident in initiatives like Clean Up Cory Day, where students took active steps to improve our school environment and foster a sense of responsibility. The accumulation of values card points has further highlighted the everyday acts of Respect, Aspiration, and Contribution that form the foundation of our school culture.

In reflecting on this year, it is clear that the opportunities for students to participate in projects of passion and to contribute meaningfully to our school community have been vast and varied. These experiences are not just about individual achievement; they are about shaping the future leaders of our society. By engaging in such a broad range of activities, our students learn the importance of collaboration, resilience, and the impact they can have on their community.

I would like to extend my heartfelt thanks to everyone who has contributed to making this year a resounding success. To the students, for their unwavering enthusiasm and commitment; to the staff, for their guidance and support; and to the families, for their continuous encouragement and involvement. Together, we have created a dynamic and supportive environment that fosters growth and achievement.

**Paula Leheny**  
Assistant Principal

## Music Coordinator | Tegan Dimble

---

Congratulations to every single student and staff member here tonight for another year full of celebrations and collective achievements at SCHS.

As always, the Music Department have been incredibly busy in 2024 with an endless list of performances and events which celebrate the aspirations and contributions of our new and seasoned musicians.

To name a few;

- Term 1 and 3 Soirees
- Winter Concert
- ADT showcase
- CHORALS!
- VCE performances
- High School Musical Production
- Open Mics
- Band showcases
- Assembly performances
- Year level and massed singing

And of course, Presentation Evening tonight.

Although I am the one who gets to wave my arms around up on the balcony this evening, the Music Department would never be able to run without the wizardry of the SCHS Music Teachers.

Whilst Darcy Mulcahy and Luke Hart get a 'staff shout out' almost every single week for the assistance they provide all over the school every single day, their contribution to the school is immeasurable. The quality of their musicianship, technical skills and top tier patience provides the

continuous heartbeat of our school.

Our music team also comprises Sian Williams, Karen Morris, Hilary Odgers, Emilie Washington, Damien Ryles and Tom Fernee. Our students have benefited from everyone's musical expertise, caring attitudes and commitment to delivering the quality music program and ensembles that you will hear tonight.

Of course, the music students have gone from strength to strength this year. It is wonderful to see them venturing outside of SCHS to perform in eisteddfods, competitions, recording studios, Victorian State Schools Spectacular and local open mics. We have seen our students develop their stagecraft to engage the audience in Chorals and High School Musical, and deliver stunning performances in our concerts each term. Our music students gain so much more than technical skills and musical proficiency in lessons and ensembles. It is no coincidence that so many of our award winners and school leaders are involved in the music ensembles you see tonight, a trend that appears every single year.

Tonight, you will hear from every SCHS student as we join together to perform the school song, Guadeamus Igitur and a medley of the Chorals songs. Please join us in celebrating another amazing year through song.

**Tegan Dimble**  
Music Coordinator

## Sport Coordinator | Tyler Hasslinger

This year Suzanne Cory High School has gone from strength to strength in sport and had a successful representation in all three aspects: intra-school, inter-school and whole school carnivals. We began the year with our two major carnivals which put on a show as we were witnesses to some of the best racing, team games and relays. The students were fantastic in showcasing their house spirit, amazing costumes and talents in the pool and on the track. This year saw Kororoit star in the pool and on the track with taking out the double win.

The year saw the Senior School lunchtime sport program run effortlessly throughout with the ongoing commitment and desire of the students to make this success happen. All four houses displayed their pride and spirit no matter the conditions they were given. Senior students were given the opportunity to play Basketball, Netball, Soccer and Volleyball. The lunchtime sport program was such a triumph due to the immense amount of planning and work put in by the House Sports Captains as well as all those who contributed to set up, referee and score.

The intra-school sport program has been in full swing all year, with students showing their competitive side to gain valuable points for their

respective houses. The students have thoroughly enjoyed the experience of participating in a range of sports.

Sport is an invaluable avenue for students to find success, develop fitness, make friends and build self-esteem. A culture of positive attitude and teamwork has been the ongoing theme during sport, providing students with the support and structure to excel in their sport. Well done to all those who have participated in a sport throughout the calendar year. A total of four SCHS excelled in the Western Metropolitan Region to qualify for states. Congratulations to the Senior Girls Hockey, Intermediate Girls Badminton, Senior Girls and Boys Table Tennis, an incredible achievement.

2024 has been a successful year on the sporting fields for Suzanne Cory. Congratulations and well done to all our students, we are exceptionally proud of each one of you! Compliments to those successful students who will be receiving a Sports colours award tonight. We cannot wait for 2025!!!

**Tyler Hasslinger**  
Sport Coordinator

## Directors of Engagement

---

2024 has been the year of students stepping outside their comfort zones and building new connections. Whilst our school has a strong emphasis on the academic development of our students, our rich engagement program has given students ample opportunity to try something new and discover the myriad of clubs, activities and friendships that exist outside of the classroom walls.

The House Program has always been a strong pillar of life at Suzanne Cory High School, and it has been heartening to watch the inter-year level bonds made as students got involved and had a go. From new year 9s bravely tackling the pool at our Swimming Carnival to the cheers of brightly painted year 11s in the stands, to the support and enthusiasm shown by a group of year 12s encouraging the year 10s to join them in running the continuous relay at Athletics, this year has been filled with stories of genuine connection between our students. The diversity of activities that run in our house program has allowed us to celebrate such a wide range of skills in our students. To every student who debated, played chess, sang, acted, danced, pushed themselves physically with the Push Up Challenge and Active April, picked up rubbish for Clean Up Cory, or put in hours making incredible costumes and props, your efforts are what make this school special.

Thank you to our amazing student leaders, and the House Engagement Coordinators that work so closely with them, because without you all Suzanne Cory High School would not be as vibrant as it is today.

### **Dolly Nguyen**

Director of Student Engagement: Student Voice & Agency

The vital importance of the arts for all students at our school has never been more evident than in the diverse programs that students have participated in with such energy and enthusiasm across the year. The House Art competition doubled in the number of submissions from students, indicating the sheer depth of artistic passion and creativity that we are so fortunate to enjoy at our school. The works on exhibition were exceptionally distinctive and eclectic, testifying to the extensive artistic inspiration of students who presented works across the widest range of genres and styles.

2024 also saw the introduction of the House Dance competition which once again reflected the extensive range of talent and skill possessed by our students.

Our students again performed with boundless enthusiasm in the House Drama program. Over 120 students proudly represented their Houses in works that included devised performances on the theme of Transformation and dramatized extracts from the Australian play *Where in the World is Frank Sparrow?* by Angela Betzien. Packed out audiences for these performances showed their unwavering support at both lunchtime and evening performances.

Our annual musical production this year was *High School Musical*. Students performed a matinee to local primary schools and three incredibly high-level evening performances where the energy being generated on stage was more than matched off stage.

As Director of Student Engagement for the Arts, I would like to thank the broader school community and in particular parents whose support for our students was invaluable in making this such a successful year.

*Congratulations to the staff members celebrating 10 years service at Suzanne Cory High School.*

We respectfully acknowledge the Wurundjeri people of the Kulin Nation, who are the traditional owners of the land on which we gather today. We pay our respect to their elders past present and emerging.

Please retain this program as a souvenir of this evening, or dispose of it responsibly.
