# Invitation

## Are you heading to the Australian National Field Days at Borenore 25-27 October?

NSW Department of Primary Industries (DPI) is excited to be the feature exhibitor this year and invites families to drop by our *DPI Education Hub*

DPI will have lots of engaging hands-on activities, including the opportunity to:

- Experience a new DPI virtual reality experience of beef, sheep, egg and dairy enterprises
- Learn about DPI's research projects on display and chat to the researchers
- Explore the exhibits with the Biosecurity Warrior Passport to collect stamps and learn about your role in biosecurity
- Discover upclose weeds and pests through microscopes and touch table
- Give the Biosecurity Warrior a high-five who'll make appearances throughout the day
- Track 'Fang' the feral cat through his aMazing adventure
- Plus lots more!

**WHEN:** DPI Education Hub will be open from 8.30am to 5.00pm  
from Thursday 25 to Saturday 27 October 2018

**WHERE:** DPI's Feature Exhibit & Pavilion,  
Site C1-5 @ Australian National Field Days,  
563 Borenore Rd, Borenore
