

Instrumental Tuition Fees - \$260 per term Instrument Hire Fees - \$70 per term

St Philip's College Performing Arts Department offers students the opportunity to take weekly lessons on a variety of instruments and in voice.

Why learn a musical instrument? Research indicates that students who study and participate in music achieve higher academic results across all aspects of the curriculum, have better social skills and a better understanding of the world around them.

Please make sure you fill in **all** relevant information on the attached form, i.e. student name, contact details of the parents /guardians and which instrument you would like to take lessons on.

Intake

New students are accepted each term. The cut-off week is Week 2 in any given Term, after that, students will be placed on a waiting list until the next Term.

Lesson Format

Lessons are 30 mins and are held during school hours. They are usually in small groups, but sometimes may be individual. Students leave their normal timetabled class to attend their Music Tuition lesson. These are organised on a rotating basis in order to minimise the chance of the same subject being missed every week.

Lessons are scheduled once a week.

Bringing Instruments to School

All students (except piano and percussion students) need to bring their instrument to school on the day they are having their lesson. Instruments can be left on the shelves in the foyer of the Performing Arts Department.

They should be taken home at the end of the day so that quality practice can be undertaken.

Lesson Attendance

A lot of effort goes into creating timetables for Music Tuition students. There should not be an expectation that students who habitually 'forget' to attend can reschedule their lesson to suit themselves.

If a lesson has been missed it may only be:

- rescheduled in **the same week** that it is missed, and
- at the discretion of the instrumental teacher and if the teacher's timetable allows.

Please note: Missed lessons cannot be stockpiled.

If a student knows ahead of time that they will be

absent from school, lessons should be rescheduled **prior** to the student not being at school.

From time to time there are unavoidable interruptions to the College's weekly schedule, e.g. sports days, camps, public holidays and exams. As much as possible, these are taken into account when the Music Tuition timetables are compiled. If it is the College's fault that a lesson has been missed, every effort will be made to reschedule it.

Parents can expect to receive an email notifying of students' non-attendance to lessons. This will occur if the student was at school and no excuse had been given prior to the lesson.

Please be aware that it is not the responsibility of Music Tuition teaching staff to chase up students who are late or missing from their lesson.

Lesson Fees and Billing

The fee for Music Tuition lessons in 2023 for ALL instruments is \$260 per term.

Please note that this fee is for a minimum of sixteen scheduled lessons per semester.

The above costs for Music Tuition lessons and, where applicable instrument hire, are added to your regular school account upon the commencement of tuition. If you cease lessons at any time during the year you may be eligible for a refund/credit (*please see over for these details under "Cancellation of Lessons"*).

Hiring of Instruments

It is essential that every student who enrolls for Music Tuition lessons has the use of an instrument, whether it is owned, hired or borrowed.

The cost to hire a College instrument is \$70 per term.

College Owned Instruments The following instruments are owned by the College and available for hire: **electric and acoustic drums, flute, clarinet, alto saxophone,**

keyboard, guitar, trumpet, trombone, and violin. To hire one of the College's instruments please fill in the appropriate details on the Application Form.

Hiring of Other Instruments It is possible for other instruments to be hired, e.g. tenor sax, cello or double bass. Please be aware that the cost of hiring a non-College instrument is different to the College instrument rate. If you wish to hire a non-College instrument it must be arranged with the Music Tuition Co-ordinator.

All hired instruments are taken home and treated as the student's own during the time that they are taking lessons. At the end of each year it should be returned. All instruments need to be treated with great care.

If a student wishes to continue lessons but no longer wishes to hire an instrument (because, say, they have purchased their own), then the Music Tuition Co-ordinator needs to be notified and the instrument returned. An apportioned fee for the term will be charged.

Commencement of Lessons

Students will be notified by email at the start of each Term regarding the times of their lessons. There is a noticeboard outside the Music Tuition office with copies of the timetables for all instruments.

Cancellation of Lessons

Please follow these procedures if you wish to terminate lessons.

1. Notification must be given in writing/email to the Music Tuition Co-ordinator by Week 9 of the term in which you plan to stop. A full term's fees will be charged for that term and the student should continue lessons until the completion of the term. It is possible for a refund to be given if the Co-ordinator is advised **before** the commencement of Week 3 of any term that a student is not continuing. You will continue to be charged until the Music Tuition Co-ordinator has notification in writing of cancelled lessons whether the student attends lessons or not.
2. Any student who has not advised the Music Tuition Co-ordinator by Week 9 of any term will be assumed to be continuing for the coming term.
3. If an instrument has been hired, it must be returned in good condition and with all accessories. Otherwise the hirer will be liable for the cost for replacement of damaged or lost accessories.

College Band

All Music Tuition students are automatically eligible for membership of school band. Membership is **strongly encouraged**.

AMEB Theory Exams

AMEB Theory lessons are now being offered. This will involve an extra cost if a student wishes to sit the exam. Students are encouraged to undertake the Australian

Music Examination Board exams, especially if they are considering studying music as a subject in Years 11 and 12. Exams can be taken in any instrument, including voice. These exams provide an excellent way to goal set and acquire the theoretical knowledge that is music industry standard and is essential for studying music at a tertiary level. Please talk to Mrs Kidd if you wish to prepare for an AMEB exam.

Expectations of Students who undertake Music Tuition

Please read the following information carefully and make sure both parents and students are aware of the expectations of Music Tuition students.

1. *It is the responsibility of each student to remember to attend Music Tuition lessons regularly and make sure they are familiar with the lesson timetable. Music Tuition teachers are **not** expected to chase up students who 'forget' to attend. Each student will be shown where and how to read their timetable by their teacher in the first lesson.*
2. *Students are expected to practise their instrument at home and meet expectations as set by their teacher.*
3. *Students may be required to buy items such as tutor books, reeds, music, etc. as their teacher requests.*
4. *Music Tuition students need to be organised and have initiative in not falling behind in their regular class work. The method in which the music lessons are timetabled requires students to miss regular school lessons, so it is the student's responsibility to make sure that they catch up on any work missed or what homework may have been set.*
5. *Music Tuition lessons are formally reported on at the end of each Semester.*
6. *If students do not meet these expectations it will be recommended to their parents/guardians that they be withdrawn from lessons.*
7. *The agreement which a student and his/her parents make to take Music Tuition lessons will be for one year only. At the end of each year all students need to apply to continue lessons for the following year.*

Enquiries

The St Philip's College Performing Arts Department hopes that your child will enjoy their experience learning music. If you have any enquiries or problems please contact the Music Tuition Co-ordinator, Mrs Kristina Kidd on 8950 4529, Monday – Thursday.
