AUSTRALIAN MADE BOOKS.

AUSTRALIAN PRINTING

Scholastic Australia chooses to print books in Australia wherever practical. We use printers that are committed to minimising the environmental impact of their operations and products by adopting the principle of continuous improvement in environmental performance.

AUSTRALIAN PAPER

With paper being the No.1 raw material used in producing books, we are 100% committed to reducing our environmental impact and endeavour every day to minimise our carbon footprint. We make every effort to use papers produced in Australia with Forest Stewardship Council (FSC) certifications. The FSC ensures forests are managed in a way that considers animals, plants, workers, local communities and indigenous land rights through constant monitoring and assessment.

"Scholastic Australia supports home-grown Authors and Illustrators and to produce locally printed books on Australian paper wherever possible for the benefit of all Australians and the environment."
