

New Academic Uniform

2023 onwards

Clayfield College

FAQ

- **When do I have to buy the new uniform?**
The new uniform will become compulsory from Term 1 2026 for students from Prep to Year 12. However, you can start to wear it from Term 1 2023. There is no change to the Pre-Prep uniform.
- **Can my child wear their existing blazer with the new uniform?**
Students who are currently in year 7 (2022) and above can continue to wear their existing blazer through to graduating in Year 12 (even with the new uniform). All other students will be required to transition to the new blazer by Term 1, 2026.
- **What will happen with my existing pockets?**
Pockets will need to be re-embroidered onto the new blazer. They are not transferable.
- **Can my child wear parts of the new uniform with parts of the old uniform?**
Generally speaking, no. Only parts of the existing uniform which comprise part of the new uniform can be used with the new uniform. These are the Panama hat, current tie, winter hat, white ankle socks, current play hat, and boater hat.
The only exceptions will be the current blazer (see above) and knitted items such as the vest and jumper which can be worn with the new uniform until 2026.
- **Is the sport uniform changing?**
We will be revising the sport uniform in the near future, but not at this time. As with the development of the new academic uniform this will involve consultation. We will keep you informed.
- **How long are we able to purchase the existing uniform for?**
All parts of the current uniform are still available to purchase from the Uniform Shop, however only while stocks last. They will be discontinued for purchase from the end of term 1, 2023.

- What is the new uniform?
