Got your sights set on a career in rural or regional medicine?

Get prepped to study medicine with our online information night.

Discover everything you need to know about our five-year undergraduate entry degree, the Doctor of Medicine.

Based on our Orange campus in regional NSW for two years then followed by three years of rural and regional placements, the Joint Program in Medicine is offered in partnership with Western Sydney University.

Get an overview of the course and our medicine facilities. Understand the entry requirements and how to apply. Learn how you'll get practical experience from day one. Find out about campus life in Orange, support services, scholarships and more.

You'll meet our team, have all your questions answered and hear from our current students about their experiences studying medicine.

By the end of the night, you'll be ready to apply to study medicine in Orange in 2024. Don't miss out!

Wednesday 29 March 2023, 6.00–7.30pm
