Wyndham Central College Career News

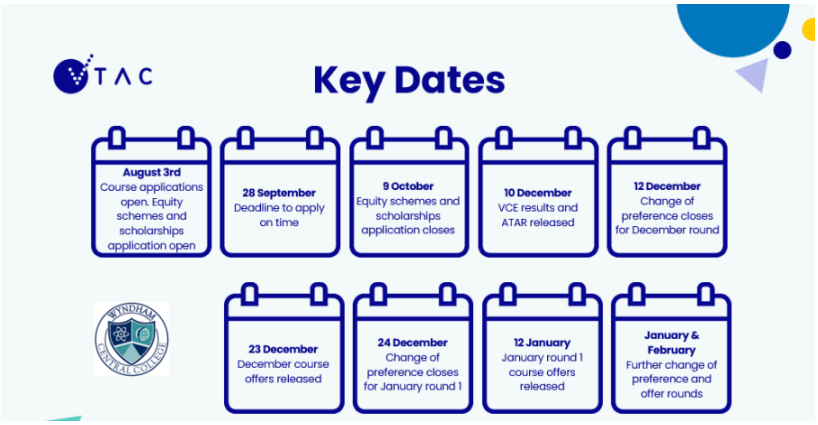

November Edition

The Careers Centre, in the Monash Building, is a resource centre for our students with current institutional handbooks and brochures at their disposal. Students are invited to visit, browse and question. An open-door policy exists to ensure students make informed decisions about future pathways

Key Dates

- **VCE Results and ATARs Released:** Thursday 10 December 2026
- **VTAC Change of Preference Closes:** Saturday 12 December 2026
- **December Offer Round:** Wednesday 23 December 2026
- **January Offer Round:** Tuesday 12 January 2027

Morning Tea Invitation

To celebrate the completion of Year 12 and provide a relaxed space for discussion, all Year 12 students are invited to a **Morning Tea in the Careers Centre on Friday 11 December 2026 from 10:00 am to 12:30 pm.**

This informal gathering will provide students with an opportunity to reflect on their achievements, explore their options, and book a time to speak with Mrs. Siragusano or Ms. Karlovic.

Looking beyond the School Gates: Step up Excursions Year 11 and 12 2027

Building capacity for students to be Tertiary and Career Ready

As we farewell our current Year 12 students and wish them good luck on their pathways into the future, we begin preparing our current Year 10 and 11 students for 2027. As part of Step - Up, these students will take part in excursions to Victoria University, Deakin University or The

Gordon. The visits are a fantastic opportunity for them to experience life at a tertiary institution and get a sense of what each one offers.

Being tertiary and career ready begins well before the final years of school. Stepping onto a campus can help students build aspirations and picture what their futures might look like. In a world of uncertainty, developing career awareness and exploring the many available pathways can help them make more informed decisions.

The excursions will also help students understand the skills and preparation needed to succeed in further education. This knowledge builds their capacity and resilience, showing them that their goals are achievable with the right preparation.

Most importantly, these experiences will help students begin planning for life beyond school. We encourage families to ask about the excursion afterwards and talk with their young person about what they discovered and where their interests might lead.

Please see below for upcoming careers events.

Steps to STEM – a webinar showcasing career pathways after high school

Organisation: The Innovators' Tea Party

Location: Online

Date: November 19, 2026

Featuring a specially-curated team of women studying STEM after high school

Have you ever wondered what it's really like to study STEM after high school?

Do you want to understand the different fields you could step into — from engineering to data science to health technologies?

Are you looking for real, practical advice to help you navigate your final years of school?

Steps into STEM is your chance to learn directly from women studying STEM at university and TAFE. Join us online for a free, fast-paced webinar where current tertiary students share their study fields, their pathways, and what day-to-day student life actually looks like.

Each speaker will give a short 5-minute presentation covering:

- **Their STEM field and future career direction**
- **Their best advice for Year 12 students**
- **What studying and campus life is really like**

After the presentations, students will have the chance to ask questions in a relaxed, facilitated panel discussion.

This event is designed for **high school students**, their **parents/guardians**, and **teachers**.
