Accredited Course

CHC33015 Certificate III in Individual Support

Expressions of interest for 2024

Mondays, Tuesdays & Thursdays (excluding public & school holidays)

This course is scheduled for a total of 12 months (this includes 120 hours of practical placement).

For an individual quotation of fees payable (including materials & equipment), please contact our office.

This qualification reflects the role of workers in the community and/or residential setting who follow an individual plan to provide person-centred support to people who may require support due to ageing, disability or some other reason. Work involves using discretion and judgement in relation to individual support as well as taking responsibility for own outputs.

Includes:
