STUDENT REPORTING – SEMESTER 1, 2020

Dear Parents/Carers

Thank you again for the ongoing support that you have provided your child and the teachers at this school during remote learning. It is amazing what has been achieved in a relatively short space of time.

As always you will receive a report for your child outlining their progress in Semester 1, 2020 against the Victorian Curriculum. The report may look different, however, as it is not possible to implement our standard report writing process.

We have received advice from the Department of Education and Training regarding modifications to the Semester 1 reporting that takes into account the limitations on the ability of teachers to accurately assess student progress during the remote learning period.

As a result of this advice, teachers at our school will

- not be providing a 5 point scale for curriculum areas (i.e. A to E)
- provide an opportunity to discuss your child's learning via parent, teacher, student conferences in Term 3, 2020.

The report comment on student achievement will be limited to

- a description of the areas of the Victorian Curriculum taught
- a succinct descriptive assessment of student learning achievement, based on the Achievement Standards in the Victorian Curriculum F-10
- a general comment on how your child has adjusted to the remote and flexible learning environment, with reference to the Personal and Social Capability Curriculum.

The end of Semester 2 2020 report will have a more informed and accurate assessment of your child's progress against the Victorian Curriculum.

It is our intention to provide you with these reports at the completion of Semester 1, 2020. These will be electronic and housed in COMPASS for your convenience.

Thank you again for your support.
