Monday 27th February 2017	
AM (arrival)	
PM (departure)	

WHEELS DAY THEME

Children are welcome to bring in their bikes, scooters, rollerblades, skateboards etc from home. Children should come to OSHC prepared for wheels day. This includes appropriate enclosed shoes and protective gear including a helmet, knee pads etc. Protective equipment and the children’s “wheels” are not to be shared amongst students and should be clearly labeled. **If a student does not have the necessary protective equipment they will not be permitted to ride their wheels.** Students “wheels” will be stored in the school bike shed when they are not in use.

Pupil Free Day Policy

In order for the service to be viable, we require a minimum of 15 children to be booked in on any given Pupil Free Day. Therefore, all bookings and cancellations must be received 1 week prior to the Pupil Free Day and families will be notified 1 week prior as to whether the service will be open. If families are advised that the service will be open, any cancellations received after this time, will be charged the full session fee of \$50.
