WHAT'S BEEN HAPPENING

Dear families,

A big thank you to all the families who stopped by the Team Kids Coffee Van this week! It's been a huge hit and such a lovely way to connect with you all. Your support means a lot to us – thank you for helping make our morning even better!

The GREAT TK Boat-Off – STEM Challenge

Spring is just around the corner, and so is our exciting STEM Club event – The GREAT TK Boat-Off! All boats are due by Wednesday, 4th September. Please encourage your child to design and build their own boat at home using recyclable materials, and hand it in before the due date. We can't wait to see the creativity and engineering skills at play!

Next Week's Theme: Exploring Cultures

Next week, we'll be celebrating the richness of different cultures with a variety of fun and meaningful activities. Children will have the opportunity to learn and explore through: 🇨🇳 Chinese Paper Lanterns 🇯🇵 Japanese Origami 🌍 African Mask Making 🎭 Cultural Dance Activities 🖐️ Diwali-Inspired Handprint Henna Craft. We're excited to broaden their understanding of the world in a fun, hands-on way!

 Spring Holiday Program Coming Soon! Our Spring Holiday Program will be published in the next couple of weeks. Stay tuned for a jam-packed schedule full of exciting activities and excursions!

Have a safe and happy weekend!

Warm regards,

Eric
