Split Billing Request for School Contributions - 2027

The college recognises that some families wish to split their school contributions levies between two parties. Families who wish to split their account between two parties must complete and return the 'Split Billing Request for School Contributions' form to the college. **Both parties are required to sign** the form, authorising the account to be divided equally (50% each).

Please note:

- The responsibility of payment of any school contributions incurred prior to submitting this form will remain joint.
- This agreement will be ongoing for the duration of the student/s time at Beaumaris Secondary College unless advised otherwise.
- This form pertains exclusively to school contributions. Events cannot be split billed through Compass.
- Parents/Guardians are responsible for negotiating and completing this agreement by forwarding the completed form to office@beaumarissc.vic.edu.au or submitting it in person to our Finance Department before the 2027 contributions go live on Compass on 1 February 2027.
