

2022 School Captains Update

Gavriel Starr, 56B

There have been some big events happening around the school. The Swimming Carnival was a big splash! Congratulations to the people who got first place and other places. Luna, the school wellbeing dog is the most popular member of staff. She is fluffy, sweet and a bundle of joy!

Capucine Husser, 6F

For Inquiry, the Grade 6 Binome classes have been learning about their family tree. It has been super interesting! Last week we had our last Swimming Carnival ever as a primary school student. I was extremely sad to miss it, but I am certain it was a lot of fun. Our Grade 6 French exams were completed this week. I think we are all pretty relieved to have finished them.

Noam Goldwasser, 56B

So far this year has been a great year with events like the Year 3-6 Swimming Carnival and Luna the dog joining our staff in making our school a better place for everyone.

The Swimming Carnival was a great day for everyone who was involved, even if they weren't swimming. We are proud of everyone and especially the district team which is full of so many amazing swimmers. Thank you to our teachers and staff who organised this amazing event and to the students who cheered their friends on.

This term we have been introducing to students Luna the wellbeing dog. Luna has been lucky to work with amazing teachers and meet students in class. We are looking forward to Luna being a part of our school and to feel welcomed.

Overall the first half of the term has been exciting and pleasurable for everyone and we look forward to seeing what CJC can achieve for the rest of the year.
