All students are reminded to remain seated in their faction bays throughout the day. It is difficult to marshal competitors when they are not in their bay. Students are invited to share lunch with their families during lunchtime only. There will be no recess time, however, students are encouraged to eat within their bays when not competing in a race.

Please remain respectful towards teaching staff in their roles during the day. The judges' decision is final and no conversation will be entered in to, to discuss placings after student races. Parents are asked to remain behind the bunting and to be vigilant of siblings who may enter the running track.

Pre-primary students will attend the carnival up until 11.45. They will then return to school by bus. Those parents wishing to keep their child at the Carnival to watch older siblings are welcome to do so. Those students must be signed out with their class teacher.
