Re: Before school supervision

Dear Parents & Carers,

St Mary's currently provides supervision from 8am for students who catch an early bus or those whose parents/carers have work related commitments.

All other students are required to arrive at school after 8:30am. We rely on families complying to this rule so we can keep numbers minimal and continue to offer early supervision.

To keep track of numbers, parents and carers are now required to fill out an application form and request to send your child to school before 8:30am.

[Click here to access the application form.](#)

An email will be sent confirming your child has permission to arrive at school early.

Supervising teachers will tick each child's name off the approved list when they arrive at school.

I appreciate your understanding regarding this.

Yours Sincerely,

Anthony Butts
Principal.
