For students who are not participating appropriately -

- Remind (Student is given one reminder)
- Refocus (Student is moved to a different place in the room)

Masses and Sacraments outside school hours

Parents are welcome to stay or drop and go.

Use the toilet before coming to choir

Students do not need drink bottles

Appropriate behaviour for church is expected

Families – Please do not take photos and videos during masses and sacraments.

You may do this either before or after the celebration of your child only. Thank you.

Most masses and sacraments are about one hour in length. Drop your child 30 minutes before starting time and collect 90 minutes later. If you are unable to be on time, please email Cathy Ellis so that your child is not worrying about where you are.

How families can support our St Leonard's School Choir

It is essential that families read the school newsletter "Link" each week to stay up to date with information. I am co-ordinating many students from different classes so it is essential that families respond in a timely fashion. I thank you for your co-operation in this matter.
