HOLIDAY HIGHLIGHT

Summer Holidays- Laughter is Back!

Here at St Augustines, our Vacation Care was once again filled with happy children and all the laughter you could wish for!

We thoroughly enjoyed getting to meet our new families, with many new preps coming through our doors. The chance to connect with everyone again was not taken for granted.

We appreciated seeing everyone's friendly faces and getting to hear about the adventures had over the festive season!

The space was set up to allow for both planned and spontaneous engaging activities to be implemented. A few highlights were face painting experiences, giant marble run creations, spotlight (outdoor game) and art/craft explorations.

We were lucky enough to have three incursions visit us- a silent disco, animal friends and a magician. The children were all curious, and excited to experience these different events.

PROGRAM

This term at OSHClub, our aim is to settle everyone back in and reconnect after the time apart.

We want to add all of our voices to the room, in the forms of a new welcome wall and our All About Me's, etc.

We value everyone's interests and aim to incorporate a wide variety of these, both planned and spontaneous, in our program.

We want to continue to focus on sustainability, expanding our outdoor games repertoire and maintaining our links with the school community.
