

# Time Capsule Opening Ceremony

25 years ago, on the 18th and 19th of March, 2000, 29 local community groups came together and laid 36 containers into a Time Capsule, to be opened in 2025.

It is now time to open the Time Capsule and reveal the unique collection of memories, artifacts, and messages from residents that have been sealed away, reflecting on the past and celebrating how far we've come as a community, and to lay a new Time Capsule of fresh mementos and memories for the next generation to discover.

The Narre Warren North Community Association proudly invites you to attend this momentous occasion as we investigate this unique snapshot of the hopes and cherished dreams of 25 years ago.

**Location:** Narre Warren North Hall

(Old A'Beckett Road, Narre Warren North VIC 3804)

**Ceremony Commencement:** 11:00 AM, Saturday 15th March 2025.
