The Home Screen

When logged in to the Compass Parent Portal, parents will be brought to the home screen.

The screenshot shows the home screen of the Compass Parent Portal. At the top, there is a navigation bar with icons for home, calendar, edit, grid, people, and star, and a user profile for Mrs Molly WEASLEY with a settings gear. The main content is divided into two columns. The left column features a welcome message and two student profiles: Ron WEASLEY and Ginny WEASLEY. Each profile includes a list of actions such as 'Profile (Attendance, Schedule, Reports)', 'Send email to Ron's teachers', 'Add Attendance Note/Approval (Approved Absence/Late)', 'View Academic Reports', and 'Book Parent Teacher Interviews', along with a photo of the student and a note about '1 overdue learning task'. The right column features the 'Compass' logo and a 'My News' section with several news items: 'Reports are available through Ginny's profile or by clicking here', 'Insights Cycle Open' (requesting input/feedback regarding Ginny for 'Student Goals'), 'Course Confirmation/School Payments' (available for completion), 'Event Consent/Payment Required' (2 event(s) awaiting consent), and two 'Attendance: Attendance Note/Approval Required' notices for Ron and Ginny. At the bottom, there are two more news items: 'Cauldron Sale' (reminding students about the sale of cauldrons) and 'Homework Club' (informing about a weekly session in the library).

Cauldron Sale

Potions students are reminded that as the end of the year approaches many Year 7 students will be selling their cauldrons. This is an excellent chance to pick up a nice cauldron that has only been gently used. Please see Professor McGonagall for further details.

Adding a Note or Approval

Parents can approve their children's unapproved absences or late arrivals. They will receive an alert on their Compass home page letting them know that their child/ren was marked late or absent and there is no note/approval on the system for it. Clicking on this notification will allow them to add a Note or Approval for one or more absences.

The screenshot shows the Compass system interface for a parent, Mrs Molly WEASLEY. The main page displays the student's name, Ronald (Ron) WEASLEY, 12A, Year 12. The 'Attendance' tab is active, showing a table of unexplained absences. An 'Attendance Note/Approval Editor' modal window is open, allowing the parent to add a note or approval for the selected absence.

Adding a Note/Approval for a future absence

Parents can also enter notes and approvals in advance, if they know their child is going to be absent from school.

To do this from their Home page, they can click on the 'Add Attendance Note/Approval' link listed underneath the name of the relevant student.

This will take them to the Attendance screen, with a pop-up window to enter details of the note or approval. Parents can then select the applicable date range - in the future if required.

Consenting/Paying for an Event

Parents will receive a notification on their home screen when there is an event that requires their approval or payment.

Event Consent/Payment Required
There are 2 event(s) awaiting your consent and/or payment.
[Click here for more information](#)

To provide the consent/payment required, parents can click the notification. This will take them to the Events page, where they can see all events that require their consent/payment, and those that they have already consented to/paid for.

Learning Areas @ Beaumaris Secondary College

BEST	Links with our environment, marine world, science and technology with the community.
Our World	Provides students with an understanding of History, Geography, Civics and Citizenship, Economic and Business and how to be critical global citizens who contribute to society.
Mathematics	Mathematics is essential to all aspects of everyday life. It has a fundamental role in both enabling and sustaining cultural, social, economic and technological advances and empowering students to become critical citizens.
Communicate & Relate	Students are prepared with the critical thinking skills required to develop a social, emotional and personal understanding of their own development. Students will learn how to actively contribute to society by developing skills in speaking, listening, reading, understanding literature and writing.

Learning Areas @ Beaumaris Secondary College

Languages: French & Japanese	Languages strengthen student's understanding of the nature of language, culture and the processes of communication.
CREATE	CREATE fosters an understanding of the world and allows students to make links through the arts and performance.
Healthy Lifestyles	Students discover how to enhance their health, safety and wellbeing and contribute to building healthy, safe and active communities.
INNOVATE	This is a project based learning area that is driven by students. They will be working in small groups, although at times individual, depending on the focus of the project. Through INNOVATE students will build strong links to the community and present their projects to parents and the community.

What should I bring?

This learning area facilitates a pastoral care program which allows students to set goals. It also focuses on generosity, organisation, academics and leadership skills.

GOAL

GOAL mentors will work with students to:

- ❖ Set goals
 - ❖ Determine opportunities to give back
 - ❖ Strategies to support their organisation
 - ❖ Opportunities for leadership
