Learn to Swim Intensive Program - Infants

Dear Parents/Carers

As part of our Sport program this year, we are running a *Learn to Swim* Intensive Program at the Taree YMCA (Manning Aquatic and Leisure Centre), for students from Kindergarten to Year 4. The latest health advice from our Government is that we can begin participating in different activities again. Taree YMCA have in place COVID-19 safe measures at the pool and TCC staff will also be taking measures to ensure the safety of our students.

The program will be split into 3 sessions each day. Each student from K-2 will participate in swimming lessons lasting an hour per day during Week 3, Term 4, **26 to 30 October**. Refer to the table below for the division of class groups and session times. Students in Years 3 and 4 will participate during Week 6.

Group	Classes	Bus Departs College	Session Times	Bus Returns to College
1	Kindergarten	11am	11:30-12:30	12:50pm
2	Year 1	12pm	12:30-1:30	1:50pm
3	Year 2	1pm	1:30-2:30	2:50pm

***Note- Times are approximate**

Over the week, qualified swim instructors will conduct 5 one-hour lessons covering swim safety and swimming skills. The groups will be operating at various skill levels allowing the more advanced swimmers to improve their fitness and swim stroke, while those new to the water will gain awareness and confidence as they practise skills using various flotation devices.

Students will need to wear **normal College uniform** (including usual footwear) with **swimmers** underneath. They will also need to bring **thongs/sandals to wear to and from the pool**. Students should also have a towel and clean underclothes to change into and a plastic bag to store wet gear. Goggles are helpful but are optional.

Girls are required to wear one-piece swimmers or wear a rash shirt with swimmers in accordance with College Policy.

Although the program will last for only 5 days, I know that the encouragement and confidence gained, within a dynamic skills-driven swimming program, will be invaluable in preparing our kids for a summer in the water.
