

# Shepparton High School Soccer News

Well the first week of competition commenced last Saturday and the wet weather early on in the day certainly didn't affect any games or the players enthusiasm.

The Open Girls game at 10.00am was cancelled the night before due to the opposition unable to fill their team. It is uncertain if the other team will stay in the competition so the Open Girls fixture may get a BYE. Please check the SJSA website weekly for any changes to the fixture.

The Senior Boys played at 1.00pm against Grammar Gold and were very unlucky to lose 3-2. Grammar had all their top age players in this team and our year 10 boys did a fantastic job for their first game in the Seniors. Well done to all the boys for backing each other up and staying positive throughout the game. It was a great game to watch!

Also a BIG thankyou to Glen Hocking for taking on the coaching role for the Senior team again this year even though his boys no longer attend or play for Shepp High. We couldn't run this team without his help or without the administration support from his wife Karen. Thanks to both!

The Under 15 Boys team played at 4.00pm against Notre Dame and had a terrific win 5-2. Half of the players are new to the team which includes 3 boys who have never played competition soccer before so congratulations to every player who put in a great effort. They displayed the potential to be a united and successful team this season. Good Luck & Well Done!

A huge congratulations to the new U/15 coaches Shaban Sulejman & Gresi Mucollari. These Senior boys have stepped up to take on the coaching role and have shown real commitment and enthusiasm both at training and on game day. Also thank you to another senior player Emi Djako for taking on the Team Manager position and supporting the coaches at training and game day also. Well Done Boys and keep up the great work!

**FUNDRAISER**- To help pay for new balls and other equipment that we need to replace for each team each season, Shepp High does one BBQ duty down at Chas Johnson Reserve to raise money.

**This year we have BBQ duty on Saturday May 9<sup>th</sup> from 8.30am to 1.30pm.**

All we need is for a parent, adult family member or over 15yrs student from each players family to come along and help cook on the BBQ or help serve the food for 1 or 2 hrs. It isn't difficult and is under cover if it rains.

Please txt me if you can help out anytime during the required times, even if for only 1 hour.

Thank You Leanne Abbott 0417 457 186
