

Building & Construction

TRADES OPEN DAY

Rockingham TAFE 10.04.19

GUIDED WORKSHOP TOURS | DEMONSTRATIONS | LEARN A SKILL | MEET LECTURERS | GET CAREER ADVICE

Join our guided tours of our impressive workshop facilities, meet with lecturers, watch demonstrations, see student projects and get hands-on in trades including:

- carpentry and joinery
- brick and block laying
- plumbing
- solid plastering
- wall and ceiling lining
- wall and floor tiling

Plus, have all your construction skills questions answered, and can learn how an in-school VET pathway can prepare you for lucrative construction careers after school.
