

Beaumaris Secondary College

Year 8 2026
Parent Payments

Dear Parents/Guardians,

We are looking forward to a great year of teaching and learning at Beaumaris Secondary College and would like to advise you of the college's voluntary financial contributions for 2026.

Schools provide students with free instruction to fulfil the standard Victorian curriculum requirements, and we want to assure you that all contributions are voluntary. Nevertheless, the ongoing support of our families ensures that our school can offer the best possible education and support for our students.

Beaumaris Secondary College and School Council make every effort to keep the cost of items and activities to a minimum and affordable for all parents, by reviewing costs on an annual basis.

The monumental financial support from our parents has allowed us to purchase and provide:

- Equipment to run a wide range of specialism subjects and curriculum experiences
- Music equipment – speakers, DJ controller and mixer – for use in Music across all year levels and at College Assemblies
- House marquees for Athletics, Swimming and other House events
- Community garden supplies
- Fab Lab 3D printer lease
- Media laptop lease
- Class set of Jacaranda books
- BEST labs - Fish tank and insects
- Lunchtime clubs - Board games and resources
- Community Connections Program events
- Study skills session
- Micro-credentials Week activities (subsidisation of family costs)
- Transportation costs to enable student involvement in community events such as Disability Sports Day and local primary school activities, as well as covering costs for students from local primary schools to attend our College Production matinee.

For further information on the Department's Parent Payments Policy, please refer to the one-page document at the end of this booklet.

Yours sincerely,

2022 School Contributions

Dear Parents and Carers,

Our School is proud to offer a range of exemplary curricular and co-curricular programs to students across the school. While the Victorian Government supplies most of the school's funding, this is not sufficient to meet all the costs of the school's programs. All schools are dependent on locally raised funds to supplement government funding for curriculum programs, school services and resources. Locally raised funds in the form of parent contributions are essential for the operation of the school's extended learning program, specialist staff and the provision of additional equipment.

Parent Payment Policy

The Department of Education and Training (DET) Parent Payment Policy provides advice on the different types of payments that schools may request from parents and outlines the procedures and protocols to which schools must adhere. The High School Council is responsible for developing and approving a school-level parent payment arrangement that is compliant with the Department's policy. The DET policy is available here <https://www2.education.vic.gov.au/pai/parent-payment/policy> or a hard copy is available on request from the general office.

The Principal and the Business Manager are available if you wish to discuss any matters concerning payment. The High School Council relies upon and thanks you for your continued support.

Yours sincerely,
Principal

ONE PAGE OVERVIEW

FREE INSTRUCTION

SCHOOL PROCESSES

- Schools must obtain school council approval for their parent payment arrangements and publish all requests and communications for each year level on their school website for transparency.
