

# 2020 Junior Girls Competition

For 2020 Junior Girls clubs have unanimously voted to try something new for the **Monday night competition**.

**U15 and U18 age groups will be available as club based teams.**

Please see contact details below for all the senior women's hockey clubs.

Please distribute this information to your students so they are aware and can make their choices.

Students are encouraged to select a club if they are associated with the senior women's club and bring along friends experienced or not to have some fun playing hockey.
