

Parent Helper Information Form

Parent helpers have commenced for the year and we are so excited to welcome our community back into the school.

We understand that everyone may not have been able to attend the course that was run over two sessions due to illness and work commitments. This course provided important information that you need to be aware of if you'd like to be a parent helper. It is important that you read the information sent out through Sentral regarding the requirements around helping in the classroom at Chilwell Primary School.

Important points to be aware of are:

- You must sign in at the office **each time** before coming down to the classroom. This is a requirement so we know who is on site. You will also be required to collect a visitor lanyard.
- You must show evidence of being triple vaccinated (only needs to be shown once).
- You must provide a current Working with Children check – please email a copy of this to the Chilwell PS office for our records.
chilwell.ps@education.vic.gov.au
- Confidentiality must be always adhered to as explained in the presentation and slideshow.
- No photos can be taken in the classroom as explained in the presentation and slideshow.
- Your child is required to sit on the floor with the whole class during discussions.

To acknowledge that you have read all the information, please sign below and leave this form at the office.

Copies are available at the office for signing prior to your first parent helper session or you can prepare this and provide it to the office when you arrive.

Thank you for volunteering to be a parent helper at Chilwell Primary School

Your Name: _____

Student Name/s: _____

Grade/s that you're Parent Helper in: _____

Signature: _____
