TRAINEESHIP OPPORTUNITY AVAILABLE – AUDIO VISUAL INDUSTRY

Total Concept Projects is looking for a highly motivated, personable candidate with an interest in technology to join our TCP Traineeship.

The TCP Traineeship will elevate your experience working in the audio-visual industry, while furthering your education with an enrolment in a Certificate III in Telecommunications Technology, which will be completed in the first 18 months of your employment. This will allow you to enter the AV Industry with strong on-site experience and the qualifications required to set you up for success.

You will have the opportunity to learn from an experienced team who will guide you through working on a variety of different AV projects in corporate, education and hospitality industries.

As part of the TCP Traineeship, you will gain experience in all areas of visual, audio and lighting, including:

- Fitting off all AV cable and plate terminations
- Installation and commissioning of projectors, TVs and large format LED displays
- Experience installing sound systems
- CCTV install and commissioning
- Project management of jobs from ideation to completion
- Designing solutions to suit client needs

To be considered for the TCP Traineeship we require:

- Current Drivers Licence
- Be well presented
- Strong verbal & written communication
- Demonstrated time management
- Computer literate
- Desire to show initiative and take ownership of ideas as well as tasks

Why TCP:

TCP has a strong presence in Australia's AV industry. With over 30 years of experience, our team has the industry know-how along with a young, dynamic team that is equipped to take on any challenge. TCP is dedicated to cultivating a company culture that focuses on improving the skills and experience of all employees.

- Be a part of a growing team
- Strong and flexible career pathway in the AV industry
- Experience across a variety of technologies
- Long term employment opportunity
