

**TUCKWELL**  
SCHOLARSHIP

## **Tuckwell Scholarship for 2024**

**Australian National University (ANU)** launched the *Tuckwell Scholarship Program* in 2013. *The Tuckwell Scholarship Program at the ANU is the most transformational undergraduate scholarship program in Australia.* A Tuckwell is not just about a student's intellect. It is also about their desire and determination to use their natural abilities to realise their full potential so that they can make a difference in the world.

### **Tuckwell Scholar students will receive:**

- \$23,000 per annum (2022 rate) (increasing with inflation) for each year of the length of their undergraduate degree, to cover on-campus residential costs, books, and general living expenses
- priority access guaranteed to ANU-approved student accommodation
- an annual allowance to assist with their move to Canberra and support two annual return journeys (e.g., airfares) between home and the University for each year of their degree (allowance is dependent on the proximity of their family home to ANU)
- an allowance to help cover the transport costs for their parents to attend [Commencement Weekend](#) at the start of the program, and
- an [ANU Sports Centre membership](#) for the length of their degree.

### **Scholarships are awarded based on four criteria:**

- academic potential and achievements to date;
- other significant achievements to date, of any type;
- demonstration of the [Attributes of a Tuckwell Scholar](#); and
- a [desire to eventually give back to Australia](#).

*Applying for a Tuckwell Scholarship is a **three-stage process** which commences with an initial application from yourself and a recommendation from a schoolteacher. **Applications will begin in March 2023 and submissions must be made before the April 2023 deadline.***

## **Academic Excellence Scheme**

*From this year, the University of Sydney has introduced the **Academic Excellence Scheme** to recognise domestic students who achieve high performance in higher levels of English and mathematics by applying adjustment factors to boost their selection rank for eligible courses. A student's ATAR will not change; however, their selection rank can increase for particular courses based on these subject-related adjustment factors.*

**Students considering studying at the University of Sydney in 2024 or beyond, are recommended to find out more at [Academic Excellence Scheme](#).**

## **2023 Marine Discovery Competition**

*The University of Tasmania is once again proud to present Year 11 and 12 students with a once-in-a-lifetime opportunity to experience a week as a marine biologist. This is our **2023 Marine Discovery Competition**.*

[A Practical Introduction to Temperate Marine Biology](#) is an introduction to the [Bachelor of Marine and Antarctic Science](#) degree at UTAS. Upon completing this short course, students will receive a credit unit towards their future [University of Tasmania](#) degree.

This is a 5-day field trip based on the picturesque Maria Island, on the Tasmanian East Coast. Led by marine ecologist, Dr Scott Bennett, students will be doing field work and experiencing the sights and sounds of climate change, invasive species, pollution, debris, and the associated economic and social impacts.

To enter, students are to complete an online application and submit a 300-word pitch on the topic: *why I wish to study the marine biology of Maria Island*.

**Applications are open and will close at midnight (AEST) on Monday 20 February 2023.**

There are 24 places available, 14 of which are scholarships places. Scholarships will cover flights, accommodation, catering, local transport costs, equipment hire, tuition costs and survey gear.

The course will run from **Monday April 17 – Sunday April 23, 2023**.
