

TAFE NSW **START YOUR FUTURE** RECREATIONAL VEHICLES (MANUFACTURING & SURFACE COATING)

Program description:

TAFE NSW Start Your Future is an initiative of the NSW Government and part of the NSW Department of Education's Educational Pathways Program (EPP)

This program provides:

Practical demonstrations from highly qualified teaching staff and the opportunity for students to participate in hands on activities to gain insight and knowledge in the Recreational Vehicles industry

Program outcomes include:

- Students make informed career choices to access Vocational Education and Training (VET) options
- Students develop individual learning plans identifying courses and study options linked to their preferred careers

Students will develop skills and knowledge in:

- Workplace safety
- How to safely use and maintain tools and equipment
- Industrial composite materials
- Surface preparation
- Surface coating
- Basic welding practices

Participant eligibility

Participants must be:

- A minimum 15 years of age
- attending EPP school
- likely to benefit from exposure to a vocational pathway

How to get involved:
