

# Join our Bedford Road Walkability study

## Help to create more walkable streets in the Bedford Road shopping precinct!

Our new Bedford Road neighbourhood enhancement project aims to improve the walkability of our streets.

We need volunteers to identify how we can enhance the ease, appeal, and experience of walks, bike rides, and movement.

Volunteers will work in groups and be supported with online training and instruction to complete the street assessments.

The information and insights provided will help to inform the development of future neighbourhood enhancement plans.

Open to all people over 18 years of age that live near or visit the Bedford Road shopping precinct in Ringwood.

Expression of Interest applications close Tuesday 10 May 2022.
