Dear Nazareth Staff,

Thank you for the opportunity to visit your school and try out some of the subjects you offer to your students. All of the choices were very popular, with some students loving textiles, others loved woodwork and the boys especially like the gym room and the basketball session.

We really appreciated how very helpful and respectful all teachers were towards us. We really enjoyed performing the dance and for those of us who did not do that session, we were very impressed with our classmates efforts.

The attached photos show how delighted we were with your program.

Thank you very much,
 Ishan, Lucinda, Orlando and Marcus
