Alternatively items can be purchased separately.

Ski Goggles \$40

Goggles are essential. They reduce eye exposure to sun at the snow and also provide warmth and protection.

Ski Gloves \$32

Stay drier and warmer for longer. These gloves are made of Thinsulate which is a water-proof membrane.

Ski Socks \$18

Specially designed socks for skiing and snowboarding, ski socks offer cushioning for your shins and underfoot.

Neck Warmer \$12

Beanie \$12

The neck-warmer and beanie reduce body heat-loss and protect exposed skin.

Light-Weight Bag

FREE with every Snow Essentials Pack.

A small light-weight back-pack style bag, ideal for carrying the things you need while on the mountain. Not for individual sale.

All orders need to be made at time of booking.
