This week Catholic Mission will offer the opportunity to be part of a life-changing program – The Maria Auxiliadora Clinic.

The Maria Auxiliadora Clinic is a vital project for the Salesian Sisters and the Church in Venilale. Since its establishment, the clinic has provided life-saving treatment for many in need, like Jose*, who became severely malnourished at 8 months old. But, with an increase in the demand for treatment, the Sisters resources can only carry them so far.

Please give generously today to help continue this life-giving program by using the appeal envelope, going online at catholicmission.org.au/timor, or scanning the QR code. Your gift will also help many other similar Church-run mission programs around the world.
