

ST AGNES' PRIMARY SCHOOL HIGHETT

8th May, 2026

Dear Parents/Carers,

School Building Fund

St Agnes' Primary School is currently working to seek and attain government funding to assist us in realising a proposed building project which would contemplate the following key aspects:

- Construction of two new classrooms to cater for increasing enrolment growth, designed with an elevated undercroft to preserve valuable playground and yard space
- Stair enhancements to provide improved and universal access across both levels of the school site
- Lift and accessibility upgrades to support greater inclusion and access for all members of the school community

St Agnes' Primary School has in place a tax deductible School Building Fund (SBF) which enables parents, businesses and other community members to make contributions to support planned capital improvements.

All contributions received will be held via a specific St Agnes' Primary School bank account with the objective being to accrue a significant balance for contribution to the proposed project and in time other capital improvements.

With the end of the financial year approaching, if you are able, we would appreciate any support members of our local community can make to support our school via the SBF.

The SBF is endorsed by the Australian Taxation Office as a Deductible Gift Recipient. All donations are tax deductible. A receipt will be provided for tax claim purposes.

St Agnes' Primary School would be very grateful for contributions of any size. We have included the SBF bank account details below as donations are made via direct debit internet banking.

Yours sincerely,

Tom Hartney
Principal
