Acceptable Use

As part of St John Vianney's eSmart Vision, we support the rights of our school community to be provided with and engage in a safe, inclusive and supportive learning environment. This extends to the use of digital tools and online communities and is underpinned by our expectation of safe and responsible behaviour of all members of the school community.

Obligation of the Student

The student will:

- Use devices and work on the internet for purposes specified by my teacher
- Follow school guidelines and procedures when using technology
- Use devices and the internet in a responsible and safe manner
- Take care when using and storing away devices
- Use the technology at school for learning
- Keep my personal information such as usernames, passwords, address, photos etc. private
- Immediately report any issues and or cyber safety incidents to a teacher
- Never distribute, store or post online photos, images or movies created using digital equipment at school without first checking with my teacher

The student will **NOT**:

- Delete or modify apps, content or programs that are on the devices
- Interfere with the work or data of another student
- Use their school account to sign up to websites and/or programs unless specified by the teacher
- Bring or download unauthorized programs, including games and apps, to school or run them on school computers
- Exchange or give out personal details including username and passwords to other students, friends, family members (excluding parents) and/or siblings
