# SCRIPTURE TALKS

*The Acts of the Apostles*  
*“Making decisions with the Holy Spirit”*

**Dr Rosemary Canavan:** CATHOLIC THEOLOGICAL COLLEGE

*It's in this place, where they were all together that the wind of change blew, the sound of a violent rush of wind, all together in one place, all of them filled with the Holy Spirit. It was Pentecost. This moment sets a chain reaction that unfolds through the Book of Acts, it is the birth of the Church. It is a marvellous fantastic journey of discovery and it's a never-ending story.*

**Very Rev Dr Brian Boyle:** DIOCESE OF SANDHURST

*“Acts has a distinctive literary genre in the New Testament Canon, almost like a select history of the early Christian community. Its emphasis on discernment, prayerful reflection and indeed synodality makes Acts a topical and enjoying work for study and reflection.”*
