

## OLNA PREPARATION PROGRAM

The OLNA is an online literacy and numeracy assessment. It is designed to enable students to successfully meet the **Western Australian Certificate of Education (WACE) requirement** of demonstrating the minimum standard of literacy (reading and writing) and numeracy.

### WHO MUST SIT THE OLNA TEST?

Students who have not achieved Band 8 or higher in any of the three components of reading, writing and numeracy in their Year 9 NAPLAN are acknowledged as having not demonstrated the necessary skills in that component and will be required to sit the OLNA test.

### THE TESTS

The reading and numeracy tests each comprise 45 multiple choice questions. Students have 50 minutes to complete each of these tests. The writing test is a typed response of up to 600 words. Students have 60 minutes to complete the writing test.

### 2023 TESTING WINDOW DATES

Round two of the tests will be conducted in term 3. The writing component of OLNA must be completed between the dates of Monday 24 July to Tuesday 25 July and the Numeracy and Reading tests between Monday 24 July to Friday 4 August. Year 10, 11 and 12 students are eligible to sit these tests.

### STRUCTURE OF THE JULY HOLIDAY PROGRAM

The OLNA Preparation Program consists of 6 hours of teaching per unit broken up into 2 hours a day for three days. Students will be made familiar with the test structure and taught strategies on how to successfully complete each of the tests. They will also be able to practise OLNA style questions under the guidance of qualified teachers.
